MakoRabco Welcomes Cody Lopez as New Regional Sales Manager

Carlsbad, CA, October 20, 2023

MakoRabco, the award-winning, nationwide leader in designing, supplying, and installing self-storage facilities, is proud to announce Cody Lopez has become the new regional sales manager for the Southwest territory. Cody joins MakoRabco's sales team from within the company, having worked as a project manager for MakoRabco for 4 years.

Cody attended Greenville University where he got a bachelor's degree in business management, and then Ashford University where he got his MBA in project management. After graduating, Cody entered into the construction industry in 2017, and spent the next few years honing his skills as a project manager. Cody joined the world of self-storage in 2019 when he became a part of the MakoRabco team. During his time as a project manager for MakoRabco, Cody helped countless self-storage facilities across the country become a reality. This unique hands-on experience and knowledge will prove invaluable in his new position.

"My construction management experiences over the past 6 years have prepared me to work alongside our developer partners to help their plans become reality. I look forward to

sharing my knowledge and experience with our clients,” stated Cody. “The mentorship I have received from Mako’s founder leaders Caesar, James, and Robert, and our current executive leadership team has given me a deep appreciation for our clients and their needs. I’m honored to continue in their legacy of a focused approach to relationships, providing high-quality customer service, and executing on our vision of being the best Metal Building option for the Storage industry.”

MakoRabco is excited to have Cody as part of the sales team and look forward to the expertise and knowledge he will bring to this new role.
